SITREP I

Shanghai Highwoods Ship Co Ltd provides OSRO coverage at nationwide China ports and coastal waters through her consortium. 90% of China ports are covered by [SHSCL VERSION 3.0](#) as all consortium members have mutually agreed the contract terms and guarantee the most competitive price of OSRO tariff. Besides, all consortium members have authorized Shanghai Highwoods Ship Co Ltd to act for and on behalf of them.

SITREP II

Shipowners/Manager signs [an OSRO agency contract and LOA](#) (Agency appointment contract and LOA --IG reviewed) for Shanghai Highwoods Ship Co Ltd. Although the remaining 10% of OSRO coverage at China ports needs to be signed respectively due to the Response Rates, yet the terms of the OSROs contracts are the standard drafted by MSA in accordance with the requirement of Rules and Regulations.

SITREP III

Shipowners/Managers keep a copy of contracts for his records and sends a copy together with Notification procedures (Electronic Notice of Arrival and Departure and other disposal report), to all vessels agreed in the list of OSRO contract. Vessels prior to cargo operation at China sea ports must have a copy of OSRO agreements in both English and Chinese on board of ship. Master shall send [96 hours ENOAD](#) together with copy of IOPP form A and copy of the last three pages of oil/garbage record book (storage plan shall be provided as well for tanker ships) prior to Arrival for obtaining a Certificate.
